Studentship

During the year under review 4145 persons have enrolled themselves as Registered Students. The total number of Registered Students excluding those who have passed the Final Examination and those who have discontinued their studentship, comes to about 30,000.

The Intermediate, Final and Management Accountancy Examinations were held as usual in July 1965 and January 1966. The total number of students who appeared at January 1966 Examinations reached the new high of 6280. A summary of results of July 1965 and January 1966 Examinations is given in the statement attached.

The examinations were held at twentyone centres at Ahmedabad, Bangalore, Bombay, Calcutta, Cuttack, Durgapur, Delhi, Gauhati, Hyderabad, Jabalpur, Jaipur, Jamshedpur, Lucknow, Madras, Nagpur, Nangal, Patna, Poona, Ranchi, Trivandrum and Waltair.

Chakraborti, MSC, LLB, ACWA, AICWA, Assistant Director of Studies and Shri J. B. Bhattacharyya, MA, Acting Assistant Director of Studies.

The Coaching Scheme of the Institute came into operation with effect from 1st January 1965. This provides, *inter alia*, that all persons registering as students on or after 1st January 1965, shall undergo a course of tuition in accordance with the Scheme, before being eligible to take Examination of the Institute.

As is well known, two types of tuition are at present being offered under the Scheme, viz. Postal and Oral.

Postal tuition is being handled exclusively by Coaching Administration of the Institute. There has been, in general, widespread appreciation of Postal Tuition Scheme of the Institute.

Enrolment, in respect of Intermediate Examination Course, commenced from 1st January 1965 has been progressing satisfactorily. The relevant figures for Inter-

mediate Course up to the end of March 1966 are given below :

	Compulsory basis	Optional basis	Total
Enrolment . . .	2994	781	3775

The impact of Postal Tuition Scheme on the results of examinations can be felt after the Scheme is run for sometime.

The Council is glad to report that enrolment for Final Examination Course also commenced from 1st April 1966.

Oral Tuition is in the hands of recognised colleges, institutions or organisations, subject to general supervision of Coaching Administration of the Institute.

The number of provisionally recognised units, including the four Regional Councils of the Institute, to date, is twelve. These are scattered throughout the country.

The members of the Central Council belonging to a Regional Constituency are also *ex-officio* members of the Regional Council in that Constituency.

The Regional Councils carried out their functions satisfactorily for another year. They continued to hold coaching classes, periodically lectures, seminars, film shows, discussion of past question papers, etc. Library and reading room facilities were enlarged. They are also extending their activities in various other manners for the growth and development of the profession. The Central Council continues to assist them by providing financial grants for their activities.

Disciplinary Matters

The Council is happy to state that there has been no cause as yet for taking disciplinary action under Section 21 of the Act ever since incorporation of the Institute in 1959.

Offences by Companies

The Council is also happy that there has been no occasion so far to invoke Section 28 against a company for committing an offence under the Act.

Regulations

Various amendments to the Cost and Works Accountants Regulations, 1959 were carried out during the year and they were published in the Institute's Journal from time to time.

Functions of the Council

The Council has pleasure in reporting that most of the functions specified in Section 15 of the Act are being carried out.

Library, Reading Room and Offices

Library and Reading Room facilities continued to be extended at Headquarters as well as regional centres. Valuable additions to Libraries at various centres were made during the year.

Shortage of space for the expanding offices of the Institute is still posing a problem. The Council has decided to construct another floor on the annexe to the Institute building. The construction has been commenced in May 1966 and is likely to be completed by December 1966. The additional accommodation on completion of construction will, however, meet only a part of immediate requirements.

Convocation

The last Annual Convocation of the Institute was held at New Delhi on 24th March 1966. The delay in holding this year's Convocation occurred due to uncertainties prevailing in the country as a result of armed conflict between India and Pakistan in September 1965 and the subsequent death of the Prime Minister of India, Shri Lal Bahadur Shastri.

The Convocation which took place at the Auditorium of the Institute of Chartered Accountants of India, was addressed by Shri D. Sanjivayya, the Union Minister for Industry, from whom certificates were received by those of the students who came out successful at the Intermediate and Final Examinations held in January and July 1965 and attended the Convocation. The G. Basu Foundation Prize of Rs. 300 in cash was awarded to the student who was considered to be of outstanding merit in 1965. Book prizes were also awarded to students who showed merits in Costing.

Fourth Conference of Asian & Pacific Accountants

The Fourth Conference of Asian and Pacific Accountants jointly sponsored by the Institute of Chartered Accountants of India and this Institute, was held in New Delhi, from 29th November to 2nd December 1965. The Conference took place in the enchanting auditorium of Vigyan Bhavan. Twentyfive accounting bodies representing 15 countries participated in the Conference. The total number of delegates from India and abroad exceeded 1600.

The Conference was inaugurated by Hon'ble Shri P. B. Gajendragadkar, Chief Justice of India and was addressed by Shri A. K. Roy Comptroller and Auditor General of India, and Shri S. L. Kilosker, President, Federation of Indian Chambers of Commerce and Industry. The Conference adopted a resolution to hold its next session in New Zealand. As a whole, the Conference was a grand success.

Annual Conference

The Annual Conference of Cost Accountants, which should have normally taken place in the winter of 1965-66, had to be deferred because of the Fourth Conference of Asian and Pacific Accountants. The Council entrusted the Eastern India Regional Council to organise this Conference in Calcutta soon after the commencement of the year 1966-67.

Ninth International Congress of Accountants

The Council is happy to report that an invitation to present papers and to send a delegation to the Ninth

International Congress of Accountants was received by the Institute. The Congress Committee specified that there must not be more than one National Paper from any one country on a particular topic chosen for discussion. It was mutually agreed between this Institute and the Institute of Chartered Accountants of India as to the subjects which should be presented on behalf of the respective Institutes. Accordingly, five National Papers written on behalf of this Institute have been forwarded to the Congress Committee. A tentative list of delegates from this Institute has also been forwarded.

The Congress sessions will be held in September 1967.

Journal

Members are aware that the title of the official Journal of the Institute has been changed from "The Cost and Works Accountant" to "The Management Accountant" with effect from January 1966 issue. Its size and get up have also been changed to make it more handly and impressive.

The Journal is now managed by an Editorial Board, consisting of four members, with Shri J. N. Bose, a past President, as Editor-in-Chief. It is gaining increasing popularity day by day.

The Council is thankful to members and others whose contributions from time to time have helped a lot to secure improvement in the standard of the Journal.

Short-term Training Course

Short-term Training Course for various levels of Government Employees is still being continued. Twenty-one batches have already completed their training. The training has been generally appreciated by all concerned.

Research

Much headway could not yet be made in initiating research activities. A new scheme has, however, been evolved by the Research & Publications Committee. It is hoped, this scheme will produce some good results.

Cost Audit

It is now widely known that recent amendment to Companies Act has introduced a new Section making provision for audit of cost accounts, in case of need, of companies engaged in certain specified activities. At the Bill stage, the Institute submitted memorandum to the Central Government as well as to the Joint Committee of Parliament to which the Bill was referred stressing the need for conducting cost audit by qualified Cost Accountants alone and for making cost audit compulsory for all companies engaged in production of goods or services. A delegation from the Institute also tendered oral evidence before the Joint Committee to place Institute's view points more emphatically.

While many of the Institute's suggestions were not acceptable either to the Joint Committee or to Parliament it is a happy augury that cost audit has, for the first time, found a place in the statute book. This is indeed, a step forward to wider application of costing principles and to the enlargement of scope of the profession.

Relationship with the Government

The Council is happy to report that cordial relationship continues to exist between the Institute and the Central and State Governments. Close relationship is also maintained between the Institute and various Government bodies like National Productivity Council, All-India Council for Technical Education, etc. The Council records its appreciation of the increased recognition given by the Government to the importance and utility of cost accounting and cost audit in the industrial emancipation of the country.

Accounts and Audit

The accounts were audited by Shri S. N. Banerjea, Chartered Accountant, who was appointed auditor of the Institute in terms of Regulation 97 of the Cost and Works Accountants Regulations, 1959.

The audited accounts of the Institute for the year ended 31st March 1966 are appended hereto. The accounts show a net surplus of Rs. 408622 which has been carried to the Institute Fund. In the opinion of the Council, the financial position of the Institute is satisfactory.

Relationship with Employees

The Council has pleasure in reporting that the Council's relationship with the employees of the Institute continues to be cordial. Financial grants are being given to Employees Recreation Club, Employees Co-operative Credit Society, established at the instance of the Institute, is functioning satisfactorily and is continuing to be of great help to employees in need.

The Council records its appreciation of the devotion, loyalty and sincerity with which the employees have been carrying out their duties. The Council also appreciates the co-operation it has always received from the Secretary.

General

In general, there has been an appreciable increase in the activities of the Institute. The scope of practice as well as of employment of cost accountants indicates promising future for the profession. In the opinion of the Council, there has been a marked progress in the year under review.

The 17th July 1966.
